October Birthdays

In astrology, those born from October 1–23 balance the scales of Libra. Libras are peaceful and fair, and value balance and symmetry. For this reason, they often champion justice and equality.

Those born from October 24–31 are Scorpions of Scorpio. Scorpions are passionate, dedicated, and resourceful. Scorpions may seem intimidating, but they are just no-nonsense people who value honesty and loyalty above all else.

We are thankful for our local First Responders! They work every day to keep us safe.

On Thursday, October 28, we have invited our local Police, Fire and EMTs to stop by Bel Rae and pick up a bag of goodies.

We will be handing out the bags at 10:00 AM and 3:00 PM. Feel free to come out in the front of the building to greet and thank them.
